Memory: What wonders it performs in preserving
and storing up things gone by.

A black and white photograph of a tree-lined street. The road is paved and stretches into the distance, flanked by large, leafy trees. On the right side of the road, there are utility poles and a speed limit sign that reads "SPEED ZONE AHEAD" and "35 M.P.H.". The sky is bright and clear.

WE DEDICATE THIS ANNUAL TO OUR COMMUNITY AS A MEANS OF EXPRESSING OUR THANKS AND APPRECIATION FOR HELPING US START DOWN THE PATHS OF OUR FUTURE. WE ARE DEEPLY GRATEFUL FOR THE ADVANTAGES AND INFLUENCES WHICH HAVE BEEN MADE AVAILABLE TO US. NO MATTER HOW FAR WE JOURNEY IN LIFE WE SHALL NEVER FORGET THE COMMUNITY OF OUR YOUNGER YEARS. WE HOPE THAT OUR FUTURE LIVES WILL REFLECT OUR PRIDE IN OUR COMMUNITY.

CLASS PROPHECY

The year is 1984. Our graduating class of 1964 is now separated into all parts of the world. I took a world cruise a couple of weeks ago to try to find all my classmates. My first stop was in Puerto Rico where Steve Ahlf is a bartender since he was thrown out of pre-med school for malpractice with the nurses. While touring there, I ran across Donna Abernathy acting as Doctor Kilcasey's nurse.

My ship then sailed to South America where David Atkins was entertaining at a bullfighting ring. He said that he had only scared five matadors to death. I then had dinner with Jan Parsons who is selling bleached eye-lashes for hound dogs. I had a very interesting chat with her. Jan told me that Bev Irvin was living in Hong Kong so I changed my plans and went there. I found her alright, but she was busy chasing a man she had been after for seven years. While in the Orient, I went to find John Smith. I saw him entertaining children as a clown in the Barnum and Bailey Circus.

Rather far off, I went to Africa and found Larry Foster teaching monkeys good manners at meal time. He told me that Don Wernigk was also in Africa but he hadn't heard from him for many months. Larry said that he had been trying to get rid of Cannibals so let's hope he isn't cooking for dinner.

I then traveled to New Zealand where Bonnie Frye is a weight lifter. In her last performance, she set her own record of lifting two pounds.

Later, I went to Russia and saw Wayne Hale. He said that he was a spy but he didn't say what for. Also in Russia was John Obenland. He teaches Latin but I hear that the students more or less teach him.

Back in the good ole United States, we started to go through the states. In Florida, Frank Bruns couldn't be caught up with because of his efforts to reach city limits before he was caught by the police. Charlie Clementz was also there. He was starting a Charlie Clementz fan club. I then went to South Carolina and found Ron Thornton making food carts for hospital wards. His specialty is engraving the words "Don't forget the cart."

I then went back to Illinois and found Sharon Wise running for G.O.P. nomination for Presidency of Marriage Counselors Association. She won and guess who her first customer was? Her husband. Gary Zindars was in Springfield, Illinois, campaigning to make Z the first letter of the alphabet. In Penfield, Illinois, is Bill Ellett, running pony express from Armstrong to Penfield. Yvonne Frye is also in Penfield since her marriage to the King. Paul Gehrt works in the Penfield sale barn singing Gran Opera to soothe the cows.

In Arizona is Sandy Hanover. She is married and runs an Orphan home. She has thirty-one children. Dolly Mendal is modeling false teeth in Phoenix. I had dinner with her and you should have heard some of her experiences.

Darlene Osterbur and Rosemary Stevenson are both housewives in Texas. Darlene married Joe Back House and Rosemary married Horacio Fire House. Carolyn Rademacher is a mortician in the same city that Darlene and Rosemary are living in.

Moving on to California, I saw Gaye Snyder selling tombstones on Graveyard Street in Cemetery City. Janey Husted is in Walt Disney's Production, "How to Be A Success With A Bubble Gum Cigar and a Deflated Football."

Nathan Murrell and Bill Wernigk haven't been heard of. Nathan took a journey to Mars and never came back. Bill was last seen at the North Pole, looking for a tree to saw down.

I guess that is about all of our classmates and it sure was nice to see all of them again.
